

About this Directory

We hope to be able to re-print this directory in the future and also put the information on the Internet. It will be very useful to know what things have been helpful in it, and what things could be better. Have we left anything out or got things wrong?

Your views/ideas about this directory

Your views about services for people with learning disabilities

There are a lot of changes being planned at this time (2002). If you have any views or comments about what has happened so far, or about what services are needed, please let us know. Your ideas could be part of the planning process.

- If you would like to receive further information about the planning process, please tick the box.
