

How to save a Through the Maze website shortcut to your iPhone

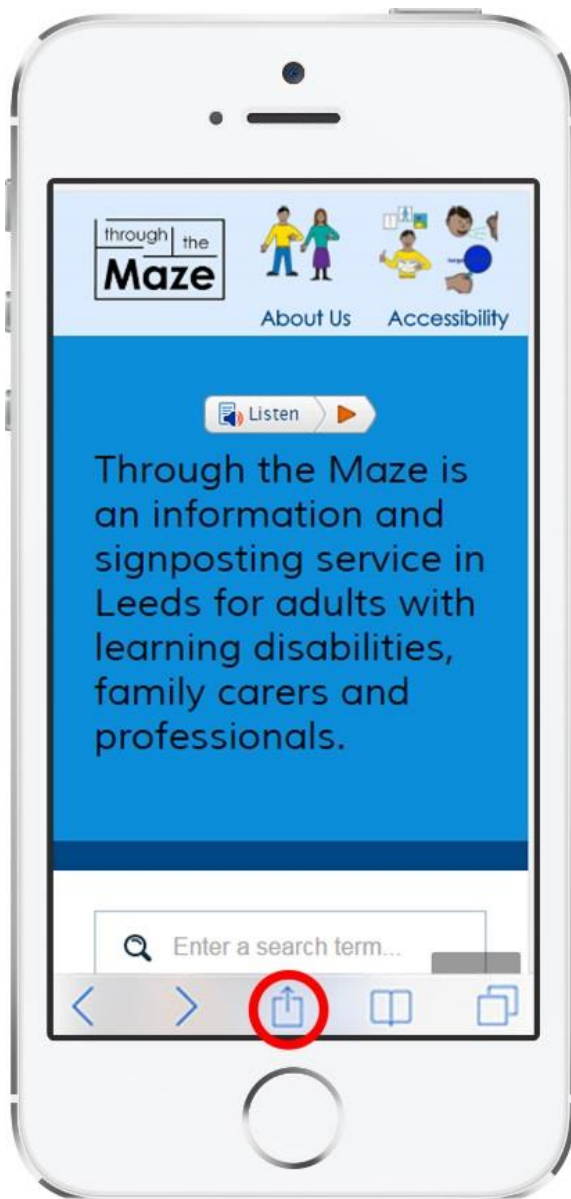

1. Open your web browser and type in www.through-the-maze.org.uk

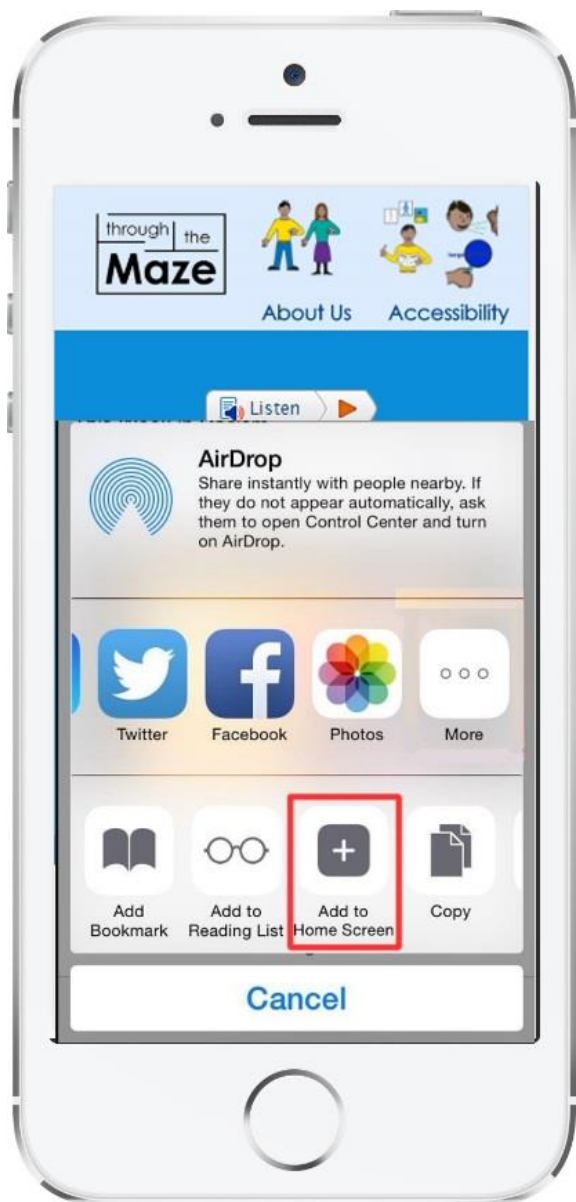

On an iPhone you normally click this icon

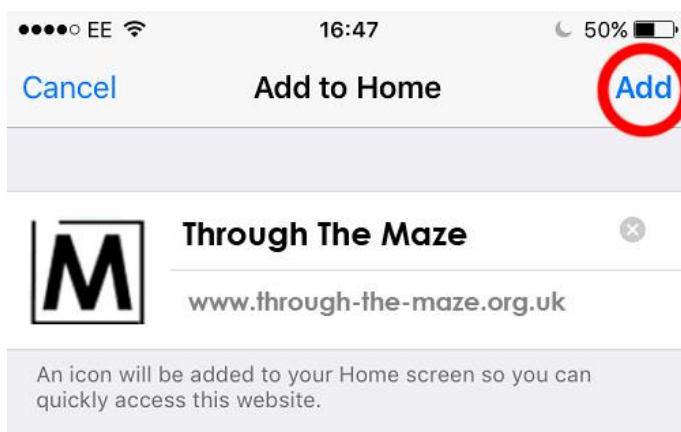

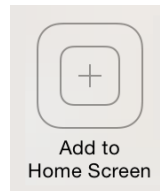

to use the web browser.

2. Scroll down the page until the navigation bar shows up at the bottom of the screen. Click on the  icon.

3. Tap 'Add to home screen'.

4. Give the new icon a name. Then click 'Add'.

5. The Through the Maze website icon will now be saved to your iPhone home screen.
