However, John Burley said that they have not found feedback buttons useful. • Leeds Directory are still using feedback forms. They always follow them up with a phone call and often people with learning difficulties do

	not respond to the call so their feedback isn't used. • The link to the annual Through the Maze survey has been sent out. • Tim has asked if Through the Maze can have a link on the Aspire website. • Jackie has asked about BAFF putting a link to Through the Maze on their website • People Matters have sent out leaflets about Through the Maze with their list of courses. • The Being Social information event will be on 18th September at the Sugar Mill. • We have started inviting organisations to have stalls.
