

Being Me Strategy (2018-2021)

Theme Progress Update

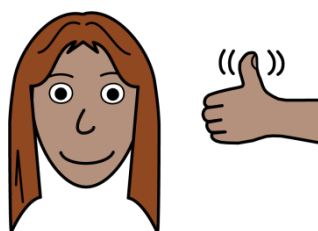

Name of Theme: Travel

Date: 12/03/2019

Things that are going well:

TRAVEL TRAINING

- 154 referrals with over 100 people successfully completing the training.
- Promotion of travel training through posters and leaflets across the city.
- Travel workshops developed and to be offered to day services during 2019

TECHNOLOGY

- Journey Makers 'Adventure Begins' event in Leeds Market (July 2018): Journey planning, independent travel and travel apps.
- development of the 'My Trav' App for smart devices

TRAVEL AMBASSADORS

- **6 Travel Ambassadors across the city: promoting independent travel, chairing meetings, developing workshops, providing advice and assistance.**
- **Created a 'Learning Disability Friendly' guide for public transport drivers / providers. Currently been edited and hopefully transferred into 'easy read' format.**
- **1 Travel Ambassador has passed their 'training the trainer' travel training course**

Things that are not going well:

- **N/A**

How can the Partnership Board help?

- **Provide guidance and advice around documents produced.**
- **Provide funding for 'easy read' documents i.e. Learning Disability Friendly Guide for public transport drivers / providers.**

Who else (outside the Partnership Board) can help us with these issues?

- **Politicians / councillors / West Yorkshire Police / Public Transport Providers**

Sharing this feedback – Partnership Board Members might be able to take this information to decision making boards and other people who can help.

We will record here which Board members agreed to do this.
