Action Tracker

What?	Action:	Who:
Easy Read Employment Handbook	• Leep1/ Cafe Leep to talk about their Employment Handbook on Zoom sometime. • More people need to know about the book.	Dominique - Leep1
Reverse Job fairs	• Look at what reverse job fairs can do for companies' ideas about employing people with learning disabilities.	Sally Anne and Jez

Employer Engagement Subgroup	● Aim to train 100 employers on supporting people with learning disabilities in paid employment. ● Trying to get more employers on the disability confident scheme. ● Contact employers that you think would be suitable. ● Circulate a list of existing employers that already help people with learning disabilities/autism	Katie Parlett - Lighthouse Futures Trust
Pathways and Skills Development Subgroup	● Plan to send out a survey to understand what services are already on offer for people with learning disabilities in Leeds.	Sally-Jude

What we discussed:

-

	Things that are not going well (including actions that cannot be completed):
	How can the Partnership Board help?
	Who else (outside the Partnership Board) can help us with these issues?
	Please share this form with Louise Mills louise.mills@leeds.gov.uk after each meeting, this will help us to understand how Partnership Board Members (and others) might be able to help.
